

HELP WANTED

TOWN OF THURMONT

WATER DEPT. UTILITIES TECHNICIAN

Job Description: Typical duties include repair and maintenance of water mains and distribution system; water treatment plant operations, repairs, and maintenance; installation of meters; reading meters; operation of necessary equipment required to successfully achieve job results including but not limited to backhoe, trucks, skid loader, and jack hammer. Employees will be required to occasionally work outside of their respective department and assist other Public Works departments.

Job Requirements: High school graduate or equivalent education; ability to document and understand gauge readings and flow measurements; ability to lift fifty (50) pounds and work outside in all weather conditions. Applicant must possess a valid driver's license. The successful applicant must obtain a Maryland Department of the Environment (MDE) Class 1 Water Treatment Operator License within three (3) years of employment. This position is required to work an alternating weekend schedule and must be available for after-hours emergencies.

Note: Preference may be given to applicants who already possess an MDE Class 1 or higher Water Treatment License and/or a Class B CDL.

Applications are being accepted through January 4, 2023. Salary dependent on qualifications and work experience. The Town of Thurmont provides a comprehensive benefits package for all employees. The Town of Thurmont is a drug free work environment and prospective employees must pass a pre-employment drug test and a physical. Apply online at www.Thurmont.com or at the Municipal Offices, 615 East Main Street, Thurmont, MD 21788. Phone: 301-271-7313, 8 A.M. – 4 P.M, Mon.-Fri.
