

CISA's Cyber Entity Notification Awareness Webinar – Region 3 State-Specific Sessions

Getting Ahead of the Ransomware Epidemic

The Cybersecurity and Infrastructure Security Agency (CISA), Region 3 (District of Columbia, Delaware, Maryland, Pennsylvania, Virginia, and West Virginia) in conjunction with the federal, state, and local partners invite you to join a webinar to enhance your organization's knowledge of CISA and the agency's role in **entity notifications surrounding potential ransomware incidents.**

This webinar is crucial for critical infrastructure owners, operators, and representatives in preparing for a potential "entity notification" and helping the nation get ahead of the ransomware epidemic.

STATE-SPECIFIC EVENT DETAILS

<u>SESSION</u>	<u>DATE</u>	<u>REGISTRATION LINKS</u>
MD DATE	April 10, 2024	MD REGISTRATION LINK
DE DATE	April 24, 2024	DE REGISTRATION LINK
WV DATE	April 25, 2024	WV REGISTRATION LINK
DC DATE	May 8, 2024	DC REGISTRATION LINK
VA DATE	May 14, 2024	VA REGISTRATION LINK
PA DATE	May 21, 2024	PA REGISTRATION LINK
ALL TIMES	12:30-1:30 PM	
LOCATION	Virtual - Teams	

Objectives:

- Introduce key federal, state, and local partners who work jointly with CISA to help complete entity notifications.
- Enhance your organization's understanding of CISA, its mission and authorities, as well as CISA's entity notification process.
- Explain the significance of entity notifications and the voluntary role of organizations to help prevent greater risk.
- Prepare your organization for a potential entity notification by providing information about best practices, communications protocols, and resources.
- Learn how to verify CISA personnel and distinguish between a hoax and authentic contact.
- Hear insights from CISA cybersecurity advisors and have your questions answered firsthand.

Intended Audience:

- Critical Infrastructure Owners and Operators
- CISOs and cybersecurity leadership
- IT/Security Personnel
- Emergency Communications Centers
- Federal, State, and Local Law Enforcement
- Legal Professionals
- Cybersecurity Insurance Providers
- Managed Security/IT Service Providers
- State and Local Emergency Management
